Summer Reading K – 5 List 2018

“How can our students avoid the Summer Reading Slide?”

Dimple J. Martin, Ph.D., Birmingham City Schools
Janine Langston, Birmingham Public Library

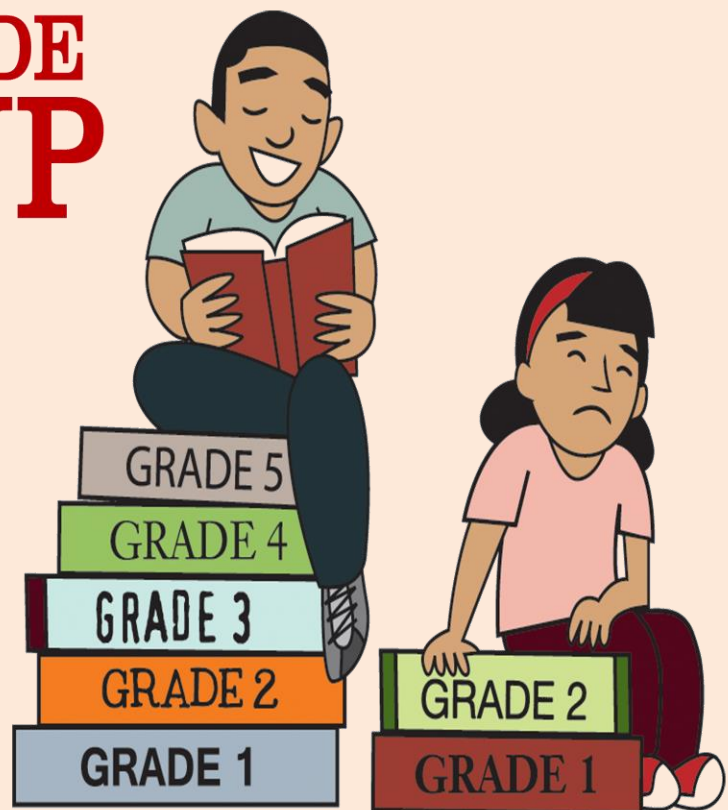

“Summer Slide” is the tendency for students to lose some of the achievement gains they made during the previous school year. The way to prevent the Reading Slide is to ensure that students continue to read during the summer months.

Enclosed you will find Birmingham City School’s Summer Reading List for Grades K – 5. The lists that have been compiled will enhance your child’s background knowledge and comprehension skills while keeping them actively engaged and motivated to read.

SUMMER SLIDE ADDS UP

When kids don’t read over the summer they fall behind.

By the end of 5th Grade, kids in need are nearly 3 grades behind their peers in reading skills.

Goals for Summer Reading in *Birmingham City Schools*

- Advance literacy and academic performance by engaging children in reading and reading-related activities during the summer months.
- Foster a love of reading through public library programs and services.
- Increase successful reading experiences through librarian-supported, self-selected, voluntary reading.
 - Improve children's access to library material activities, which will encourage them to become lifelong library users.
- Increase the number of children participating in public library summer reading programs.
